Intro:

ON THE REAL - I HAD PLAN'S ONLY TO SUCCEED - WE
HAVE ACCOMPLISHED SHIT THAT SOME OF THESE
MUTHAFUCKAS CANT DO - WE ARE VETERANS- AND
LEARNERS AND Earner's

VERSE 1:

Bridge burners- still need learning permit to hit corners
- staff of the un halph- getting chastity belt
whopenâ€™s - halph of my note looking over jeopardy -
- give me your dope - I'm robbing if I gotta be - slip into
gravity - part of me wanted you - "halph" me notices -
grasp on the numeration - close to the dedication-
blowing fucking sockets - that's for my demonstration -
now no one will let you - better fucking watch your self
cus- splitting until I'm rehab - drills don't go threw to
me - bills don't go threw to me - muthafuck you and
me- stuck in the realty - not in reality- tally getting
broke- waist getting opened - I hope you know it could

CHORUS: (signing)

IF I WAS YOU I WOULD NOT FAIL
I WOULDN'T FUCK AROUND ON MUTHAFUCKING SELF-
I WOULDN'T EVEN SEE YOU IN REALITY GETTING OVER -
I RATHER DIE BEFORE I RESPECT THIS DUMB NIGGA
IF I PLAY A GAME - THEN YOU GONE GET PLAYED

VERSE 2 :

Bridge turners - still claiming no one getting over them
- who promoting them - the left of the reason- just only -
if I didn't pay - I wouldn't have shit anyway - duck where
you can lay still - only in the worst way - In the duck and
the ability â€” Iâ€™m ducking shit - I just wonâ€™t
more - and it isn't you bitch - your milliseconds
thoughts gone get you split - open up the ass kicked -
just in the passive - over into your nasty ass - which in
the past - of you kissing my ass - the staff's are dirty
and I don't think that they are instrument's- just in the

clogging the shit a little- just pertain and re-frame -
before I get indigent.

CHORUS:

IF I WAS YOU I WOULD NOT FAIL
I WOULDN'T FUCK AROUND ON MUTHAFUCKING SELF-
I WOULDN'T EVEN SEE YOU IN REALITY GETTING OVER -
I RATHER DIE BEFORE I RESPECT THIS DUMB NIGGA
IF I PLAY A GAME - THEN YOU GONE GET PLAYED

VERSE 3 :

The purchase was lodge - stilling lodge moments - the
commotion is the sand - that I want to be on - trip's ain't
opposite - watch as you try - to let move by - and I bet in
the future - you will be in the outcome not useful -
unless you choose it to be useful - watch how I abuse
those - table ass thought's- I went clairvoyant " only
into the drink and think on it - close into the emotion's -
as I deduct his fuckin position " no emotion's niggas
frozen - niggas holding - just unloading into the plan's
of envy - fucking up the symphony - only if I remember
you " I wonder if you'll remember me.

CHORUS:

IF I WAS YOU I WOULD NOT FAIL
I WOULDN'T FUCK AROUND ON MUTHAFUCKING SELF-
I WOULDN'T EVEN SEE YOU IN REALITY GETTING OVER -
I RATHER DIE BEFORE I RESPECT THIS DUMB NIGGA
IF I PLAY A GAME - THEN YOU GONE GET PLAYED

VERSE 4:

Evil pass's get past this " just into the fraction's -
that's dipping " so intermitting - that the
muthafucking nigga need's a splitting - just over into
detention - of my thought's " no lost cause- just done
brawled - counting Gaul's - no phone call's - only
wanted joy - just get back " or just get in " what the
fuck's up with this type of bullshit - only in the tension -
jails and the prison- and the trouble - and the double-
and the royal - and the cup able - putting niggas - in a
tuck able- rearrange street's into the ' w ' you " into
the middle of you - if I was you I would not want to fail
