First Verse:

How the fuck- just sitting - listen - set up - what trying to
do not give your sex up - fuck what you just compass -
when the non-sense start - after pillow talk - down the
street we walk - in your eyes - I see shit - witness â€˜in -
the pillow just dismissed it - how did - you miss it - how I
trusted - but you even told me it was cool if I just fuck
you -

Chorus:

What you seeing - is what I want forget - everything is
not just that simple to forget - - the pillow talk fucked up
my head real good - The pillow talk fucked up my head
real good.

Second Verse:

Now girl just finish your sentences - close to the shit -
where I won't remind you - if you use somebody shit,
why the hell you lying - about what we do - while we
dating and fucking - you got me so Horney - I wish I
never got the pillow talk wit you - but when I see you on
the streets it's cool - sexual foundation - on the counter
- make me wonder why it's me and you doing real good
in the shower - I love you

Chorus:

What you seeing - is what I want forget - everything is
not just that simple to forget - - the pillow talk fucked up
my head real good - The pillow talk fucked up my head
real good.

Third Verse:

In the reasons why I choose you to be my sex partner-
in the thoughts that got me to the bed - Iâ€™ve been
sleeping in your head - for the nasty in me - you let me
be what I wanted to be - but you wasnâ€™t even
dissing me - we broke it off evenly - but it still fucks

with me - how I wanna be with you - the pillow talk done
fucked me up down.

Chorus:

What you seeing - is what I want forget - everything is
not just that simple to forget - - the pillow talk fucked up
my head real good - The pillow talk fucked up my head
real good.

Fourth Verse:

In the Lexus - I respect us - it reflects us - in the habits
where we stay atlas - at last - you let me rub and
touching - there's many places to travel - lets get
together and do something - and when your aware -
that everything ain't about having sex - what type of
blood type is this - it must me blood type oz - I drench
these ounces - very good - and you should role with
me.
