PROSPER & MOVE TRACK 15:

INTRO: (Talking with processor)

YEA I LIKE YOU FINER THAN THAT BITCH ERICA- ERICA IS
A METAPHOR- I LIKE YOU BETTER - THAN THAT BITCH
KEISHA- I LIKE YOU BETTER THAN THAT NIGGA ALLEN-
BUT ON THE REAL I LIKE MY SELF SHIT

VERSE 1:

I hate you muthafuckas no respect will do - fuck if you
prosper or you move- I will clock and block a dude - but
I'm really not that rude - oil slipping, tipping setting
you bitch ass niggas up - fags in my back ground -
map's show they ass out - gun's on a hold up - with no
jail - as I bail into your sweet'ness - regardless'ness-
clutching touching culture fits - claustrophobic crucifix-
I hope your ready have ya tubes fixed - cash in my
banking ounce's - jobs on the counter fucker - cluck like
a lucky fucker - jam in the stealth mode - holding
innocent - picking like a nigga broker- jobs held up like
a fucking broker- provoke- I'm gone always wanna
fuck you- and keep some cash in my muthafucking
curtains pockets - slipping like muthafucking damn
rocket- jock's on the strap getting jock less - flaawless
just promote your hate clauses caused - I'm
flaawed bitch - ex'ceptance

CHORUS:

VERSE 2:

Left and right maneuvers - staying tatted on my hood'y
- you should've new I didn't wanna be in no movie -
but I wanna something easy - and that don't mean
to fuck with you - duck I ain't even really even gotta
duck you - with the situation with the industry is on blast
- Regardless Notches and Foundation Clips- standing
on your innocence - so, see the lift on up- just making
way for the large account in mind creeping slowly-
executive producer was regardless Devon victory(No

CAP TM)- what the fuck can you bitch ass niggas do me- I guess you been living off in your mind- l     m gone block you another time.

(chorus)

VERSE 3;

Table talent get paddled by tattle telling lies- closing in like bi scopes - shell told the envelope - hate talked to misery - debate done told, fold, should     ve, should - that all we want is something and that     s in the prosper - the leaf as the winter green - I don     t have no meanings- rising supreme- supreme pizza's - digesting no sinus's - moving like the prosper erb's- striking invisible nerve- selling the Devon- creeping telling in the lies - enemies that are spy     s- open look into my eyes-

(chorus)

VERSE 4:

The enemy repeated - the enemy got re     seated - game on the re     keep it - that nigga is sneaky- he probably ain't shit too you - what if you changed      and you got something real with dude - what if the hill made you slid down the hill still - what wasn't real      I wished I found that shit - now that sound is being hidden      by the bars      I can see them stepping, creeping behind cars- I hope I pass out - on the reality measures, your gonna be prepared - or im'prepared - or impaired- or see pared - or be pared - or leave pared- or key pared- tree     pared      your shit pared..
