### VERSE 1st :

Challenge conflicted - your bitch ass lit up- chrome un -  
breathe - dome unâ€™™ seeing - drop to your  
Pentecostal - no intrude praying local just to in deep  
bled - cover the shit without a quilt - done the deal -  
done you ain't real - picturing you still - closing up like  
the invisible post taker- sending yells in yall bitch ass's  
- schools like Yale can teach you - as I prevail into the  
most of the post leaving overdoses - just toss - just  
promote the even clothes - just under doors - just  
unaware - yall muthafuckas scared - I see the post ain't  
no real end of the time - witnessing you blind - actually  
your kind- ready to end up taking over mine.

### CHORUS ( signing)

It's a deadly world thatâ€™™ s what someone told me -  
just trying too figure out - just trying to pick a spot -  
that's why the fuck I blow on these - that's why I created  
all my enemy's - or they ain't no fucking enemy - I will  
not bless none of my enemy's

### VERSE 2nd

The rail was for the sell - they witness they don't get  
bail - frail into the open building â€™“ condensation â€™“  
plagiarism - staff in the dolce - open up closely - more  
sweet - tele - tablet - get you snatched on your  
bandanna - which into turns- my nerves are burned -  
you should've learned- cross breeding dolphins - game  
slipping often - left into open coffins - I'm sure they not  
gone rob em - just plane a slate - just pro'messilly wait-  
just duck- what the fuck- you out of luck

### VERSE 3rd

"Fortificated" wilt the dedicated debation - which keep  
me stressing - now ducking lesson â€™“ shouldnâ€™™ t be  
stressing - now the confession - is there really  
confessions booths - just sold my lute- just cover you-  
unloading you - muthafucking bitches- using

cusswords for negative - so the leg a bit- so plan of  
shit-

I plan on not stopping to the end of something - just  
rotate chassis - automatically blasting- just living- you  
cut too three chops of the released - in the brief  
sentences that's happening-

VERSE 4th

The complete syndrome - just on the minute seconds  
of the file - which into file - label you un-buck wild- on  
the left turner get justice - only into your un-justice -  
lets get the raft straight of the rail grade- it could be A  
a it could be a see - it could come from grades that  
aren't even created - just "legistrated" - open up the  
law of the world - and the sword - and the boy- and the  
cord - so unâ€™ fortunate- for the lost lives that been  
fucking with - touching boy - shout's out to god- as I'm  
breathing - and when I'm dead - I'm not perceiving
