Verse 1:

That bitch pussy get scared - I don't see no corners or
no

chairs - just be prepared - I think that I can get up just

a little bit - watching the chairs - and the table they

getting elevated - for the way that they came around

getting aggravated - the master couldn't find the
master -

they show set up for disaster - and the ledge broken -
now

that you hoping that they can come and save you.

Chorus signing:

But I was not gonna be the best for you - so you can
leave

and not turn the fuck around - and now you can be out
of

my life - don't except my bitch ass mouth it's gone be
bitchen.

Verse 2:

Fuck a wife, fuck you bitch, fuck a knife, suck my dick, -

in my life - chasing on hoop dreams - though it seams -

that there aren't any redeems - I feel so clean - but I

feel dirty - and you can't take that in you bitch

muthafucking ass - shit that the bitch to effectuated -
fucking with - blast your fucking heathen ass - just get
into the stash - muthafucking riding on you bitches with
a
bus pass.

Chorus signing:

But I was not gonna be the best for you - so you can
leave

and not turn the fuck around - and now you can be out
of

my life- don't except my bictth ass mouth it's gone be
bitchen.

Verse 3:

The bitch stank ass told me - that she wanted me to
piss

down stairs - when I was about leave the basement -
cause

she was A virgin - and couldn't take the dick - the

replacement snitchen on her muthafucking waist men -
She

was a hooker hore mongrel - while I'm eating lasagna -

quit co co nontax - she seen through my eyes - but I
never

took picture with her- she was my favorite - 1996 1996

1996 the year 1996 muthafucka.

Chorus signing:

But I was not gonna be the best for you - so you can
leave

and not turn the fuck around - and now you can be out
of

my life- don't except my bictb ass mouth it's gone be
bitchen.

Verse 4:

The edge of the bed was wet - by the water balloon -
that

she had in her bra for - fucking breast - the touch was
the fucking test- dirty ass fucking bitch - looking threw

my shifty ass eyes - and tell me what you think - do I
see

you - threw your eye looking I bet she could be a bigger

fatter sloppy ass bitch - if I let her - but today she

look good - body like piece of food

Chorus signing:

But I was not gonna be the best for you - so you can
leave

and not turn the fuck around - and now you can be out
of

my life- don't except my bitch ass mouth it's gone be
bitchen.
