Intro : oh - oh - oh - oh

Verse 1:

Just another penis - wait you better get your leaving - no
breathing close body - just eating - no sleeping - no
watching - close telling - you in jail - I'm jealous - in
the factors - big ass niggas like regardless Devon -
slipping case - we slipping facts - slowing it down -
getting wild - in the mood of the dipping - of the cuts -
in the plague - its to vague - you do your thang - in the
minute - give it up

Chorus:

Oh - with you - oh - wanted to be with you - oh - I see you
- and you so damn fitted - oh - and you needed - oh -
and you wanted - oh - and I'm coming - oh you just
want it - oh - you just need it

Verse 2:

Fuck a got damn lying - bitch - fuck some trying shit -
and you came - in the bed where you lie and then left -
in your chest - for the breath - of the game - in your aim
- for the lies - with your mind - this next time - in the
ring - where singing - fucking bitch ass nigga - it's not
in my dreams - to hit that pussy - that's just missing
- in the prism - I've been to prison - you to shaky - to
brake - I bet these hollow-tips will brake you to the wall
you bitch

Verse 3:

Now we got that bitches pussy drunk for the first time -
in the minute - of the minute of yelling no I already
done did it Regardless - pimping farmers- acting like
I'm taking out these fucking models - holding
bottles - then I split your fucking throttle - shaking in the
"stic" shift - listen hoe you - you don't like dick - you
gone take dick - we riding day time - I also - running
late shifts - those that think blinking diff - and the

chauffer aint - go ahead and climb up the fucking hill
