Chorus:

I used to be down for you  
I used to ride for you  
but now I think that I should change

Verse 1:

Strange game no aim " flipping what was your  
mission " holding on to nothing  
fuck production " I wont they heart rushing " you in  
the bed lying " you ain't  
getting fucking " man fuck chunky " nigga you the  
one who should be lucky  
next thing you know you prob'ly wanna trust me "  
nobody disrespect me and still be friends a'gin

Chorus:

I used to be down for you  
I used to ride for you  
but now I think that I should change

Verse 2:

posting up " baby wait " hold it up " watch when  
a nigga step out of line " they get folded up " you  
ain't my friend - I tell you how the prison system is -  
lighting shit up like a muthafucking Frisbee boomerang  
bitch " the pitch of your eyes I s dark " and you  
smart just a little- the close reason " you just think  
l'm yall " when will you learn to ball "

Chorus:

I used to be down for you  
I used to ride for you  
but now I think that I should change (repeat 2 x)

Verse 3;

Close case's at the mall " god you a down fall - in

the stencil you just " in the hold of battle- sucker  
niggas tattle- about to hit the ball " like a fucking  
rattle - you in the "Sims" (Video Games) - wont see the  
brim- you let it out a™ gin " you into yourself "  
and passion " and your last note- you a ass whole-  
you just role- like a ass hole-

Chorus:

I used to be down for you  
I used to ride for you  
but now I think that I should change ( Repeat 2 X)

Verse 4:

in the dention center- for what was in the center - I just  
don™ t remember " close the yelling silly "  
bester watch your back " nigga I wont be back " let  
you on them stacks- in  
the reosin" ( Medical) " you just not making it stick  
" and you working in the pic " of your heart "  
and you doing it at dark " and damn I like spark "  
you used to be my muthafucking heart
