(Chorus)

My heart is bleeding because you leaving, I'm on my
knees I'm begging please

(Verse)

Would you give me one last chance, can I have this last
dance

Look in my eyes cause I cannot lie tell me why must I
cry

I use to be shy don't say good bye you moving spry I'm
not the bad guy

You make my tongue tie give me oblige

(Chorus)

My heart is bleeding because you leaving, I'm on my
knees I'm begging please

(Verse)

You're cold like a deep freeze and you smell like goat
cheese

You're such a disease and you bite like a flea look just
get away, get away from me

Cause you're making me angry and you just won't like
it, glad I'm leaving I'm going through the door

Because you're such a whore I don't want you no more
oh lord

(Chorus)

My heart is bleeding because you leaving, I'm on my
knees I'm begging please

(Verse)

Would you give me one last chance, can I have this last
dance

Look in my eyes cause I cannot lie, tell me why why
must I cry

I use to be shy don't say good-bye you moving spry I'm
not the bad guy

You make my tongue tie, give me oblige oh Lord
