(Intro)

Yeah that's right it be me R, E, H, D, O double G. Yall
know I'm coming with the real shit, ya heard
Aint nothing but anger here... yeah

(Verse)

My life is filled with pain and misery, can suicide be an
escape for me
Aint no friends or family, a loner til the day I die no
need to cry
All my friends who said they loved me they lied, got a
forty five
Shall I squeeze the trigger, the haters want me to they
call me nigger
Dark creeps in my soul death is knocking at my
doorstep
My soul is so vulnerable; I realize our souls are valuable
Selling my soul would be unforgivable, seeking the
help would be sensible
Have no friends or family who's reliable, I've treated
them so good cause I'm humble
Some of them treated me like shit and awful, it's all
right because I'm humble
It be me on the microphone R, E, H, D, O double G, I
don't really care if you like me or hate me
Cause I know you can't live my life for me, R, E, H who
D, O double G yeah that's right
Know you like this song so nod your head, nod your
motherfucking head

(Chorus)

My life is filled with pain and misery can suicide be an
escape for me (repeat)
My life is filled with life and misery can suicide be an
escape for me
I don't know but I don't wanna find out click click pow
