What can I say about the past loves in my life  
R.P.D., H.M., K.G., and M.S.  
Which one of those lovers were the best I guess I'd  
have to say R.P.D.  
I still feel the emptiness left behind, but next I would  
have to say K.G.  
Followed by M.S. I guess H.M. that was a different  
situation  
Of all the past lovers I had H.M. didn't love me or never  
wanted me  
So in reality H.M. shouldn't even be on this list that's  
right don't get me  
Piss

But rather most hurtful inflicted pain upon me still in  
my life just as  
Friends  
Never close again never ever best friends like it used  
to be from the past  
Crossed in my mind never once again H.M. will never  
get that chance to  
Reject me again  
That's for hell for damn sure my heart as healed but  
for R.P.D.  
Will never ever ever find a cure for R.P.D. my love was  
pure  
We might as well been married cause it was or felt like  
rich or for poor  
Until death do us part  
This song is from the heart R.P.D. you were always here  
always strong  
And my feelings will never ever be gone unlike H.M. it  
was always a game of  
Guess

And putting my love to the test after awhile H.M. was a  
pest  
Who knows these feelings H.M. have problems with  
communication you never  
Know what  
H.M. wants you have to assume and when you assume

you make an ass out of  
You and me  
But what can I say what can I do to reassure you my  
love is true  
But what can I say what can I do to reassure you that  
my love is true once  
Again

What can I say about the past loves in my life  
R.P.D., H.M., K.G., and M.S.  
But which one of those lovers were the best I guess I'd  
have to say R.P.D.  
I still have feelings inside but left emptiness inside be  
the next I would  
Have to say K.G.  
Followed by M.S. I guess H.M. that's a different situation  
of all my past  
Lovers

H.M. didn't love me or wanted me in reality H.M.  
shouldn't be on this list  
Of lovers  
Most hurtful inflicting pain on me still in my life just as  
friends never  
Ever close again  
Like how we used to be once before does it cross my  
mind nah never again  
H.M. will get the chance to reject me again that's for  
damn sure my heart  
Is healed

But R.P.D. yes my heart will never be good for R.P.D. my  
love is pure  
We might as well have been married cause my love for  
you for richer or poor  
Or until death do us part peace to my R.P.D. heart  
forever share my  
Feelings to you

My love is true strong that's true
