(Intro)

Dear father God  
What have we done to deserve this oppression  
As a black race we're not making it  
As a black man we're gonna be extinct  
You were right yo

(Verse)

I'm cursed as a black man no matter what I do I'm last  
Never ever first  
I need a hit to quench my thirst, sooner or later  
I'm a end up in a hearse nine feet under the dirt  
No longer will I exist on this earth, mom was right  
She said sonny boy pray on your knees and go to church  
But that's just it mom I can't cause I am too emotionally hurt  
I am legally psychotic recovering alcoholic that's why  
Can't I be happy marry and have a wife and kids  
I highly doubt it judged by the way that I look  
And the way that I walk judge this cover by the book  
I don't think it's fair take a look two craze teens they  
Tried to kill me they tried to poison me other's from the  
Corporate world don't want to see me make it  
So they dispose of me I'm barley living my life  
I need m, o, n, e, y 14 thousand in debt  
Moms I can't take this no more

(Chorus)

Cursed as a young black man I need a helping hand  
(Repeat 4) Cursed

(Verse)

Lonely the sadness unhappiness I can't take it no more  
Why these things they happen to me I've figured it out  
I'm a cursed man that's why I now understand that I'm gonna suffer  
And when I die I'm gonna suffer some more that's just it no matter what I do  
My moms said go to church but like I said emotionally hurt psychotic my mind aint

Straight I need someone to help me to straighten it out  
psychologist I doubt it  
They can't get in my head I don't have no money to pay  
them anyhow so I'm a  
Cursed black man I am last never ever first I need a hit  
to quench my thirst  
Now sooner or later I'm a end up in a hearse nine feet  
under in the dirt  
No longer existing upon this earth but that's just me  
emotionally r, e, h, d, o double g  
Wreck that's why I know that I was never ever a Frett  
always a b, l, y, d, e, n

(Chorus)

Cursed as a young black man I need a helping hand  
(Repeat 4)

(Outro)

Will I make it, no longer faking it that's why I don't know
