(Intro)

Now this whole term of this President of the United States is just a whole sham
Imposter in the White-house in 2008 until now it sucks ya heard

(Verse)

O.B. he fucked up the economy four times more than W. Bush 2012 elections was a sham
Voters fraud and intimidation got the people them afraid and it was too damn extreme
The takers outnumber the contributorâ€™s hands out saying gimmi gimmi gimmi what you got
And this mentality it really sucks it makes me scratch my head and I just shout what the fuck

(Chorus)

F.O.B. (8 times)

(Verse)

To God I put my trust invested in a 12 gauge shot gun
no more games and no more fun Mr. nice guyâ€™s
Left the building say hello to my little friend lâ€™m not gonna ask you again just like Childâ€™s Play itâ€™s your end
O.B. is Obama Barrack tell him to suck a big fat cock
cause he messed up the economy and I hate this man more than life it self
I wish that he would just burn up and die thatâ€™s just the way how I feel I donâ€™t care what you tell me
I can say what I want freedom of speech F.O.B.

(Chorus)

F.O.B. (8 times)

(Break)

Say it again

(Chorus)

F.O.B. (8 times)

(Break)

(Chorus)
F.O.B. (8 times)
