(Intro) Now it's about time that yall understand that this aint no game You
Either stand for good or you stand for evil, which side do you stand on
Repent or Perish to have everlasting life

(Verse) I've been bread to be a warrior; I've been through a series of
Tests My qualifications are one of the best, God chose us ones who those
Will never quit We're never gonna be completely licked, we take a beating
And keep on fighting No matter the situation we solve them time and time
And time again That's why I sing my friends

(Chorus) One of the chosen ones (3) God's Warrior One of the chosen ones
(3) God's Warrior

(Verse) Time is near no time to be nervous or scared, in my eyes there's
Not a fear The golden mission is clear, liberals and those against God must
Fail in their attempts And there missions so I must deplete of them cause
The end is near and they are causing Too much problems, I'm here to solve
Them accept Christ as your Lord and Savior Cause you know if you don't it's
A big problem, understand what I'm saying to you I'm R, E, H, D, O double G,
And God chose me to be one of his Warriors

(Chorus) One of the chosen ones (3) God's Warrior One of the chosen ones
(3) God's Warrior (Verse) I'm part of God's army, just try and stop me I'm
A Christian who loves G, O, D Yall either with me or against me, it is that
Simple I will pop you like a pimple I will not live in a

nation that
Opposes God, there's no way no how I want to have
everlasting life I'm
Against evil forces they must be destroyed My spirit
cannot be tampered
With you try and stop me cause I will never quit Cause I
love God too much
Yall don't understand read the lyrics so I sing

(Chorus) One of the chosen ones (3) God's Warrior One
of the chosen ones
(3) God's Warrior
