(Intro)

It's time for us as United States citizens to stand up for  
our rights and  
All the people around the world. And America, and the  
United States and the  
United Kingdom.  
Cause this government, their trying to bring us down  
and suppress us and I'm  
Not gonna  
Stand for that. You know? Yeah

(Verse)

I'm against socialism. I'm a conservative democrat who  
fights back and I  
Refuse to let  
This government attack on my way of life now which is  
free. They want to  
Control me.  
I'm not gonna let them do it. Taxation without  
representation. it's not far  
From the truth.  
That's why they wanna abuse we. Yes you know it's not  
right. Stand up for  
Your rights.  
This will cause a revolution. Get up and stand up and  
fight. I wont be  
Dragged under  
This system. Demonetic system. Europe and the United  
States of America they  
Want to  
Do away with the U.S. currency.

(Chorus)

Government corruption this world is in a state of  
confusion.  
Government corruption, get up and stand up and fight  
for  
Your God giving rights. (Repeat 2 times)

(Verse)

As I was saying the U.S. government and Europe they

want to do away with  
The U.S. currency. Make a new currency the Euro and  
they want to control us  
And tag us humans.  
Stick a microchip inside your bloodstream. They know  
that this thing will  
Cause cancer.  
But a they no care they want to lead by fear. And I know  
the world end is  
Soon near.  
I'm against the socialism. I'm against the confusion the  
government wants us  
To do.  
Yes I'm a conservative democrat and I will fight back  
yeah. I refuse to let  
This government attack on my free will and I wont let  
them do it no more.  
No they wont do it no more.
