(Intro)

Yo what up with them crunchy ass friends dog
They look like they just walked off the motherfucking
Plantation farm
Ya know what I'm saying, word.
I'll try to remain calm but I feel as if I'm about to
explode like a
Motherfucking time bomb, ya I'm saying? Uhh

(Chorus)

I hate your friends I don't know why they won't die bring
their
Mother fucking life to an end (4 times)

(Verse)

Motherfucking J.T. you don't really know me.
I'm fucking crazy I hate you bad, you make me mad
I want you to die, look in my eyes
You brought me pain and misery don't fuck with me.
Look at your hair, clip that shit with sheers
Believe me when you die I will not cry.
I won't say good-bye compulsive liar
Go to hell in fire, Hell's Angel's is waiting for you
Fuck You

(Chorus)

I hate your friends I don't know why they won't die bring
their
Mother fucking life to an end (4 times)

(Verse)

Stay on your pills, your slow ass like jack going on Jill
Going up a hill
Use common sense before you speak, you're like a
leach
I want to poison your ass with ammonia and bleach
My anger is released, your father is deiced
Jose Torres you're a decease, Dominican bastard
please
You can't see me not even on my worse day
Can you comprehend, the words my friend

The words I say, I'll count to three then minus two
That means F you

(Chorus)

I hate your friends I don't know why they won't die bring
their
Mother fucking life to an end (8 times)

(Verse)

You barley know H.M. How did you become friends.
Invited him for a sleep
Over
You must be crazy get outta here, What the fuck you
think this is?
Fuck do you think my name is? Do I look boo boo the
fool, You fool won't
Stay
In school don't think I'm a fool. I don't care my life has
gone to shit.
Now I've gotta take it back, cause no one will give it
back

(Chorus)

I hate your friends I don't know why they won't die bring
their
Mother fucking life to an end (4 times)
