R, E, H, R, E, H, D, O double G  
Whoâ's with me forever and ever and ever

(Verse)

Iâ'm not thinking about the worldly things Iâ'm thinking  
about the afterlife donâ't care no more about getting a  
wife women can be tempting they make you stray off  
course of course I like the nanny nanny yes itâ's sweet  
but Turtle you must understand itâ's gonna make you  
weak youâ've got to settle down like my old best friend  
Vashon he did cheated his wife

(Chorus)

Iâ'm thinking about forever (5 times)

(Verse)

Like I was saying donâ't be like my old best friend  
Vashon he cheated on his wife now she divorcing him  
his African queen no longer thereâ's no one around I  
took a look at his facebook and I see that heâ's with an  
over sized wildebeest and what went around came  
back around we all pay for all of our sins moms she  
tries to make me feel bad because I backslided but I  
want you to know if youâ're free of sin then cast the  
first stone in plain English what Iâ'm saying is just  
leave me alone

(Chorus)

Iâ'm thinking about forever (5 times)

(Verse)

Not thinking about the worldly things Iâ'm thinking  
about the afterlife donâ't care no more about getting a  
wife women can be tempting they make you stray off  
course of course I like the nanny nanny yes itâ's sweet  
but Turtle you must understand itâ's gonna make you  
weak youâ've got to settle down you need to get a wife  
donâ't be a clown like my old best friend Vashon his  
wife divorced him because he cheated on her and now

I take a look his facebook and I see that he's with an  
over sized wildebeest and what went around came  
back around we all pay for all of our sins moms she  
tries to make me feel bad because of backsliding but  
you're not free from sin
