(Intro)

Mercy me R,E,H,D,O, double G. 2009 now

Respect to Turtle, J,B,O,N,E, Matt & Larry, Orlando and everyone else

(Chorus)

I never ever buckle under pressure me no fold

Some people heart really ice cold

I will never ever do what Im told

Thats why they say Im so bold now (repeat twice)

(Verse)

Ever since I hit the video scene, people laugh at me

But I really dont care, them a get really angry

some of them really get mean but

I have the will to do what I do and I will never

Ever stop doing what I feel is right cause God give me

That giving right so

You here that

(Chorus)

I never ever buckle under pressure me no fold

Some people heart is really ice cold

I will never ever do what Im told

Thats why them a say Im so bold now (repeat twice)

(Verse)

God give me the God giving right to get up and fight

I and I think that Im doing the right and if you think

That Im wrong I dont know what to say to you

Dont know what to say to you

I would like to thank all my Youtube fans

I would like to thank all my Myspace fans

You can do what ever God put you on this earth to do

As long as you have the strength and you have the will

To go on no one can stop you

Remember what my one song said three minus two that equals F,U

Dont let anyone try to control you cause I believe in you

Thats why me a sing

(Chorus)

I never ever buckle under pressure me no fold
Some people hearts really ice cold
I will never ever do what Im told
Thats why they say Im so bold now (repeat three times)

(Verse)

Everybody uno listen to me R,E,H,D,O, double G from
Hartford
Middletown CT big up cause meh love you yes
And people try to stop me but meh nah going stop
Cause meh nah stop til meh heartbeat stop
Thats why Ill keep on going until I reach to the top

(Chorus)

Never ever buckle under pressure me no fold
Some people say that their heart ice cold
I will never ever do what Im told
Thats why they say Im so bold now (repeat twice)

(Verse)

Ever since I hit the video scene people laugh at me and
Some of the try to be mean but I dont care as long as
Im doing the right God give me that right
As long as keep doing what I like and you cant stop me
I would like to thank my Youtube and MySpace fans

(Chorus)

I will never ever do what Im told
Cause you know that they really ice cold
I will never ever do what Im told
Some of them say Im too bold now

I never ever buckle under pressure me no fold
Some people hearts really ice cold
I will never ever do what Im told
Thats why they say Im so bold now (repeat three times)
