(Intro)

It's a burning fury inside of me  
And if you didn't walk a mile in my shoes shut your  
mouth  
You aint no me no where I came from so shut your  
mouth now  
You heard me

(Verse)

I've been bread to be a serial killer let me digress  
From a very young age I was abused physically from  
the family  
In the streets of school I was tortured by the bullies one  
day I snapped  
My BF Tracy told me I ran up in the woods I came back  
climbed a ladder  
On the galvanize I repeatedly banged my head  
Bang (4 times) until the blood gush poured out through  
my head  
When I came to I didn't have a clue what the hell is  
wrong with you  
It's nothing but the truth I don't know how to speak  
anything other than the truth  
And that's the proof that I was bread to be a serial  
killer a murderer  
That's just what I feel inside the darkness it's inside  
me and it's taking over  
My mind and my brain sometimes I feel like I'm  
insane  
But all these years I've controlled it and not snapped  
yet  
But this economy it's driving me to the edge I'm  
going under and I just can't breath

(Chorus)

I have to kill I want to kill fight the will you gots to chill

(Repeat 2)

(Verse)

Milton Joseph God rest his soul he was the bully that put  
me over the edge

Cause I tell you what he made me so angry every year  
he use to pick on me  
One day in the lunch line he took a ply wood On October  
31st and slammed it in my head  
I closed my eyes and I cried and I opened up my eyes  
and to his surprise  
Boy did he push me over the edge stabbed him  
repeatedly with a metal fork until he bled  
Ha ha ha ha it felt so good I let out all those years of  
frustration and now I don't know  
If I can go back to the way things were because I can't  
help myself

(Chorus)

I have to kill I want to kill fight the will you gots to chill

(Repeat 4)
