(Intro)

The time for playing around is over
These people are serious
Aint no more playing
It's time to form an army
Army of revolutionaries
And take them out, that is the only way
we can defeat this evil we must take them out
Plain and simple, don't you understand

(Verse)

My life experience has been a test
Now it's time for me to put it to the test
And bring forth my best
Short in size but God give me the strenth
That's monster size, and I see the hate all around me
They all try to scare me but no fear in my eyes
God made me a Warrior B, Turtle my best friend
inspires me
He puts his life on the line for our country
God bless the USA that's right yes you heard me
Republicans and Democrats are all the same
Playing deadly politician game, spending our money
like thier insane
It makes me so mad

(Chorus)

Left,Right Left, Right It's time to fight
It's time to fight
(Repeat 4 times)

(Verse)

My life experience has been a test
Now it's time for me to put it to the test
And bring forth my best
Short in size but God give me the strenth
That's monster size, and I see the hate all around me
They all try to scare me but no fear in my eyes
God made me a Warrior B, Turtle my best friend
inspires me
