(Intro)

Now all you all I want you to understand what I will chat  
say

Cause them liberals me know like them you know? Do  
you hear me?

Foo fools you know? they're going to make the world  
end sooner

Than it's supposed to. The creator ah come, that is Jah  
Jah God

Jesus Christ you hear me now?

(Verse)

Meh come here to start a political fight, liberal fools yall  
too uptight

I'm stabbing yall with my conservative knife, it is better  
that you take

Your own life

Step in meh face and meh punch out your lights, I  
believe in God and his

Son Jesus

Christ, I believe in God and his son Jesus Christ, I  
believe in God and his

Son Jesus

Christ.

I will fight, fight with all meh might, yes meh stand up  
and fight

Americans fight fight fight fight. Put up a fight don't  
end the life, cause

You know them things it's not right it is wrong. Obama  
yeah say I don't like

Him. Cause I'm strong, strong and I'm fighting with all  
my might. Uno here

Meh now?

(Chorus)

Emotional rapper with a political fight, the only way I'll  
stop if I lose my

One life

People of America join me and fight, don't care if  
you're black don't care if

You're white

Emotional rapper with a political fight, the only way I'll  
stop if I lose my  
One life  
People of America join me and fight, don't care if  
you're black don't care if  
You're white

(Verse)

Tell Obama to go and fly a damn kite, He bowing to the  
king foo foo man it's  
Not right  
Your lips is black like a dark Christmas night, move to  
Europe on the first  
Flight  
Yes tea parties don't stop the fight, cause you know we  
must overcome we  
Have the right  
Cause Obama I know that he wrong, cause you know we  
have to stand up strong  
Don't let them people try to over run this country, them  
sort of things they  
Get me angry  
Want everybody uno listen to me. R, E, H, D, O, double  
G, Middletown, CT want  
Uno follow me. St. Thomian posse come and follow me  
now

(Chorus)

Emotional rapper with a political fight, the only way I'll  
stop if I lose my  
One life  
People of America join me and fight, don't care if  
you're black don't care if  
You're white

Emotional rapper with a political fight, the only way I'll  
stop if I lose my  
One life  
People of America join me and fight, don't care if  
you're black don't care if  
You're white

(Verse)

Uno here what me ah say? I'm telling yall I'm starting a  
political fight  
Foo foo people uno sit down and fight, I'm stabbing yall  
with my  
Conservative knife  
It's better that you take your own life, cause I know if  
you step in meh

Face me ah  
Punch out your lights, punch out your life, punch out  
your, punch out your,  
Punch out your lights  
I believe in God and his son Jesus Christ, I believe in  
God and his son  
Jesus Christ  
I will fight with all meh damn might, Americans stand  
up and fight  
Tell Obama to go fly a kite, bowing to the king and you  
know it's not right  
Lips it blacker than a Christmas midnight, cause you  
know that  
Move to Europe on the first flight.

(Chorus)

Emotional rapper with a political fight, the only way I'll  
stop if I lose my  
One life  
People of America join me and fight, don't care if  
you're black don't care if  
You're white

Emotional rapper with a political fight, the only way I'll  
stop if I lose my  
One life  
People of America join me and fight, don't care if  
you're black don't care if  
You're white

Emotional rapper with a political fight, the only way I'll  
stop if I lose my  
One life  
People of America join me and fight, don't care if  
you're black don't care if  
You're white

Emotional rapper with a political fight, the only way I'll  
stop if I lose my  
One life  
People of America join me and fight, don't care if  
you're black don't care if  
You're white

(Outro)

Let me see all the conservatives, let me see all the  
conservative people  
Them. Join me  
R, E, H, D, O double G  
Cause you know that me know care, fighting and me no  
fear. Cause the end it

Soon near  
Yeah Mon
