(Intro)

Just be a man

(Chorus)

Just be a man cherry boy, you're not human don't you  
see  
It's gonna be your last, keep it to yourself  
You just keep on watching me (Repeat 2 times)

(Verse)

I feel deep inside a winter cold I tell you know lie  
As a man I'm filled with pride sometimes inside  
I feel like I'm gonna cry like I wanna die anger it  
bothers me  
Deep inside just be a man and stand and fight for the  
cause  
I'm ready to lose my life I'm willing to pay a heavy price  
I'm not part of a man of a machine I'm a human being  
With feelings for real that's how I feel inside

(Chorus)

Just be a man cherry boy, you're not human don't you  
see  
It's gonna be your last, keep it to yourself  
You just keep on watching me (Repeat 2 times)

(Verse)

All eyes on me I have the ability to rock everybody  
Because you know my life is surreal I'm all powerful  
God made me a king but you know that I'm a leader  
Follow the master yes to be caught against me  
Then you know a natural disaster, the more you resist  
The more I get piss and that's how you know that I'm  
gonna diss  
I have a winter feeling deep winter coldness inside I tell  
you know lie

(Chorus)

Just be a man cherry boy, you're not human don't you  
see  
It's gonna be your last, keep it to yourself

You just keep on watching me (Repeat 7 times)
