(Intro)

Damn (3 times) Iâ€™ve got to let it out cause a fury inside

(Verse)

Nobama heâ€™s got my momma want to vote for him
and all the blacks

They just donâ€™t get it minds full of mush in the matrix
intellect and common sense

Donâ€™t count for shit shut the fuck up I donâ€™t want to
hear it to be re-elected

Heâ€™s sucking up to the fagots no pun intended who do
you think you are

Pretender in the oval office Clint Eastwood called it
correct an empty chair

Without a care and the middle-class they cheer they
donâ€™t understand whatâ€™s going on

Their stupid and they just donâ€™t have a care just as
long as they can do what they like right

As long as you have your Obama phone and your food-
stamp all is right with the world right

Bitch looking like a damn Hermaphrodite go fly a kite
thatâ€™s right cause you looking like a damn

Hermaphrodite long as I got my Obama phone Romney
sucks get the hell on girl

(Chorus)

Over the edge and there aint much more to be said
over the edge pent up anger Iâ€™m frustrated (2 times)

(Verse)

No Obama (2 times) I said No Obama he got my
momma and all the blacks they just donâ€™t get it
Mind full of mush in the matrix matrix intellect and
common sense gone through the window

And they donâ€™t count for shit shut the fuck up I donâ€™t
want to hear it to be re-elected

Heâ€™s sucking up to the fagots no pun intended who do
you think you are

Pretender in the oval office Clint Eastwood called it
correct an empty chair

Minds full of mush the blacks they cheer as long as you

got your Obama phone and food-stamp
All is right with the world right bitch shut the hell up
youÂ're looking like a Hermaphrodite

(Chorus)

Over the edge and there aint much more to be said
over the edge pent up anger IÂ'm frustrated (4 times)
