(Intro)

It's hard to let people in, when you know alls they will
try to do
Is rip your heart right out of your soul, so how can you
learn to trust
Again?
And each time you do you get burnt, each and every
time
Just makes you wanna just drop off the face of the
earth.

(Verse)

Your ability to trust, has been blocked. Too many
people hurt you. Now
You're sad and lonely.

(Chorus)

Let me in, so I can trust again.

(Verse)

You're a middle age old man. Alls you wanna do. Is die
slowly. That man is
Me, me.

(Chorus)

Let me in, so I can trust again. Let me in, so I can trust
again.

Me (15 times)
