(Intro)

Yeah,

Now I'm a man Imma live free or die, I'll die for what I
believe in ya heard?

(Verse)

George W. Bush is a part of the process forming The
New World Order
Homeland security implementing The Real ID and it's
not for me

(Chorus)

Just gotta live my (3 times) Life with my free will
Just gotta live my (3 times) Life with my free will

(Verse)

Yeah The Real ID is not for me if you ask me that thing
is the mark of the beast, I refuse to comply. I will not
live in that manner

(Chorus)

Just gotta live my (3 times) Life with my free will
Just gotta live my (3 times) Life with my free will

(Verse)

The enemy will fall and I shall rise to the creator which
is God. U.S. government has gone too far, they want to
see and do all like they are God

(Chorus)

Just gotta live my (3 times) Life with my free will
Just gotta live my (3 times) Life with my free will

(Breakdown)

My free Will (2 times)

(Chorus)

Just gotta live my (3 times) Life with my free will
Just gotta live my (3 times) Life with my free will

(Verse)

I shall not follow no man, I will die in the name of God

understand?

I'm not down for that kind of change, no matter what
they say I won't do it

(Chorus)

Just gotta live my (3 times) Life with my free will
Just gotta live my (3 times) Life with my free will

(Verse)

The Bible reveals next and last pope will be the devil,
impersonating John Paul II
The seven kings and the eighth is the beast and the
last

(Chorus)

Just gotta live my (3 times) Life with my free will
Just gotta live my (3 times) Life with my free will

My free will, just gotta live, live and live and live alone
Yeahhhhh, just gotta live in the name of God
