The sadness in you, brings the sadness in me
It makes me so blue, but what am I to do
You're special to me, please be happy
I'm feeling so crappy, cause you're unhappy
And I feel lonely, what am I to do (2)

You're special to me, please be happy
I'm feeling so crappy, cause you're unhappy

The sadness in you, brings the sadness in me
You make me so blue, but what am I to do
You're special to me, please be happy
I'm feeling so crappy, cause you're unhappy
I'm so lonely, what am I to do
What am I to do (2 times)
Do...
