Visit "[Why Girl](#)" on [MotoLyrics.com](http://MotoLyrics.com)

(Intro)

Now this one going out to all the Virgin Island woman  
them who break meh

Heart

To all the woman from Maine, and from New York, and  
from Hartford, CT watch

Meh now

(Verse)

Use to have a gal by the name of Sharon, the gal she a  
cumming she say meh

Her number one

But when you take a stop the girl no really love me, she  
break meh heart

She sleep with Tom, Dick, and Harry

But them sort of things really aggravate me, say meh  
want everybody come

And listen to me

Spell out meh name the gal can't do that, cause she  
have another man in the

Back of her mind

I don't understand why she ah want hurt me, I don't  
know why she do that to

Me

R, E, H, D, O double G ah sing it out yeah ah want uno  
listen, cause you know

That they gal she no really love me for real

And I don't know what I feel, but I do know what I'm  
going through

(Chorus)

Why did you tell me that you love me, tell me you want  
me don't interrupt

Me

Why did you leave me all alone

Why did you leave me try and deceive me, made me  
feel like you need me

And still you went and did me wrong

Why girl (3 times) Why

Why girl (3 times) Why

(Verse)

Me know understand that, me know understand why  
the girl left me on meh

Back

I use to love her use to do everything, but the girl look  
inside meh heart

And lying

I don't know why I'm feeling this way, but I do know that  
I have to come

Back some day

Cause the gal yes she ah left me deh ah sad and lonely  
and so I'm crying

One more time

(Chorus)

Why did you tell me that you love me, tell me you want  
me don't interrupt

Me

Why did you leave me all alone

Why did you leave me try and deceive me, made me  
feel like you need me

And still you went and did me wrong (Repeat chorus)

Why girl (3 times) Why

Why girl (3 times) Why

(Verse)

She look in ah meh eyes and she tell peer lies, and  
them sort of things can

Make a man cry

Yes ah want uno listen the way that I feel inside, yes I  
have no more pride

To tell you the truth I don't understand
