(Chorus)

Why must I cry
Why must I cry, Tell me why
Why must I cry, yeah yeah
Why must I cry, Why must I cry
Yeah Yeah Yeah

Why must I cry, R, E, H,
Why must I cry, D, O, double G.
Why must I cry, ya heard?
Why must I cry, yeah

(Verse)

I lye at wake at night and I have unfinished business to
take care of
It eats away at my sub conscious mind and soul
When I love its forever minds, as the time goes by it
consumes me
And it eats away at my brains, it causes pain and it
makes me cry
Yes I cry I don't know why, its only a few people in
my life
I really and truly love some of which I still love
This feeling hurts inside im sick of being alone
Twins so far away from home mad love for Rafael a,k,a
Jbone
I hope to see you again I need closer in my life so I can
love again

(Chorus)

Why must I cry, why must I cry why
Why must I cry, yall tell me why
Why must I cry, tell me why
Why must I cry, I don't know

Why must I cry, why must I cry why must I cry
Why must I cry, tell me why
Why must I cry, why
Why must I cry, yeah yeah

(Verse)

Never understood why Raymond and Andy Ortiz Rod he
tried to kill me

All I ever did was try to help your butts, yall betrayed
me

Now Iâ€™ll change the subject and talk about Robert
and Michael Knight

The foster kids of a lady who I use to call my second
mom

Yes her first name in Fran

I remember I was drinking with Robert and his friends

They plotted to steal my car (Ford Tempo) they took it

And they ended up on a high speed chase with the

cops (Wethersfield CT)

And they flipped my car over, now my car is a wreck
and the cops

(Hartford,CT) They took my car without permission they
tried to arrest me

Looking around my house they said you canâ€™t drink
with under age teens

(Chorus)

Why must I cry, why must I cry

Why must I cry, why must I cry why

Why must I cry, R,E,H,D,O double G

Tell me why, tell me why tell me why

Why must I cry, why must I cry why must I cry

Why must I cry, why must I cry why must I cry

Why must I cry, why must I cry

Why must I cry, tell me why yall

(Verse)

Lye awake and I have unfinished business
