(Intro)

Maximo (3 times)

Tell me why
Why must I cry
Tell me why
Why must I cry
Why must I cry

Why must I cry why must I cry why (6 times)
Tell me why

(Verse)

No matter what I did I tried to love this kid, ever since
he was eight
All he ever did was lie and steal from me
Now he's seventeen and I thought that he'd change his
ways but when I look at kid
He's still hating on me
It makes me sad to see this kid, he's still hating on me,
he's bad I just can't lie anymore
I gotta push him through the door
Recently the kid stole my jewelry, I turn my back and he
steals my gun from me
Kid be careful you're gonna shoot someone and end up
in jail
A death sentence is that what you want? I know that you
really hate me but why did you have to do these things
to me. It's not fair you really don't care.
Don't understand why you gotta go this route, don't you
understand without a doubt it's the wrong path,
understand

(Chours)

Tell me why
Why must I cry
Tell me why
Why must I cry
Why must I cry why must I cry why (3 times)
Tell me why

Why must I cry why must I cry why (3 times)

(Verse)

Tammie Starr, who do you think you are, using those
kids as weapons you know it's not fair Tyler I really love
you and I really miss you and Deja
Now I got twins on the way, Tammie Starr you've gone
away
California haven't heard from ya that's why

(chorus)

Tell me why
Why must I cry
Tell me why
Why must I cry
