Yeah, R, E, H, D, O double G
Coming from the heart. Yeah

(Verse)

And it's fine you wanna let me go just let me know
It's not kind to fool with Mother Nature; sooner or later
it will become a
Danger
And I'm not asking you for any favor, just be honest
and don't be a traitor
This is my year so fuck all the haters; hold up let me
drink my Optimator
And I've always been real you can't call me a faker, I'm
in my zone to
Create that makes me a creator
D may of destroyed my bond with T, and that really
angers me. Regrets part
Two fuck you
I'm a motherfucking man and I understand the things
you want to do so F you
I don't care

(Chorus)

Why you playing with my mind (3 times) let's not waste
each other's time
Why you playing with my mind (3 times) let's not waste
each other's time

(Verse 2)

Why you gotta try to play games with my mind and you
wasting my time and
You know it's not fair
Cause my time is precious to me I know you don't care
anyway I want you to
Listen to me
If you don't wanna be with me you gots to let me know,
I don't know why you
Acting like a hoe
It's all right go through the door don't come back no
more, don't come back
No more
Cause I really, really, really don't care; just because
you found someone

Else and you say you don't care
But it's all right cause in my eyes there's tears; but
growing men to do
Two things
And that's why I never ever bought you that diamond
ring so I have to sing
(Chorus)
Why you playing with my mind (3 times) let's not waste
each other's time
Why you playing with my mind (3 times) let's not waste
each other's time
(Verse 3)
Who said that men don't cry fuck it we got feelings too,
I lost my best
Friend because of you
I was not forth coming now I'm alone fuck this it's on
my own fault is all
Minds
Truly I really know that it's all minds, strong enough to
walk out on me
Why you still got me on your gamertag it confuse me;
just let me go it
Don't amuse me
Why you got me on your thing confuse me and you
