(Intro)

Damn that's messed up yo  
You call me ugly like that  
Damn I find you beautiful no matter  
How ugly you find me  
That's why I dedicate this song to you

(Chorus)

You say I'm ugly  
Who say I'm Ugly  
Don't wanna say (4 times)

(Verse 1)

Find you beautiful but you look at me and call me ugly  
It makes me feel so bad inside and un-attractive  
I suppose you look at me in the way of my big nose on  
my face  
Or is it the way that my lips are big on my face  
Or perhaps it can be my dark skin that you don't like  
Or is it the way that I walk that makes you talk and call  
me ugly  
Is it because I am short, or that my feet are skinny  
Whatever the reason I would like to know  
I suppose you think I'm so ugly

(Chorus)

You say I'm ugly  
Who say I'm Ugly  
Don't wanna say (4 times)

(Verse2)

If you were a cripple and you ended up in a wheel chair  
I would still love you and be there for you to share life  
with you  
Because that's just the way how much I care  
I suppose you can care about me as much as you can  
for your age  
But what do I expect I'm nearly two decades older  
The winters and the nights they seem to get colder  
As I spend them all by myself trying to hold on to  
someone as attractive

As you are it's most impossible everyone wants to be  
with you  
You can pick and choose and get who you want when  
you call me ugly  
I know my chances are slim to none or their not strong  
That's why I sing this song to you

(Chorus)  
You say I'm ugly  
Who say I'm Ugly  
Don't wanna say (6 times)

(Verse 4)  
Find you beautiful but you look at me and call me ugly  
It makes me feel so bad inside and un-attractive  
I suppose you look at me in the way of my big nose on  
my face  
Or is it the way that my lips are big on my face  
Or perhaps it can be my dark skin that you don't like  
Or is it the way that I walk that makes you talk and call  
me ugly  
Is it because I am short, or that my feet are so skinny  
Whatever the reason I would like to know  
If you were a cripple I would stay by you  
If you were in a wheel chair I would still care and love  
you  
And share my life with you that's how much I care  
I suppose you care as much as you can just for your  
age  
What did I expect I'm nearly two decades older than  
you  
The winters and nights are colder trying to hold on to  
someone  
As attractive as you are I suppose it's impossible

(Chorus)  
You say I'm ugly  
Who say I'm Ugly  
Don't wanna say (10 times)
