it's such a complicated situation it always ends up in a  
fight,  
what i wouldn't give for some isolation but im gonna  
stay with me tonight,  
i catch my gaze across the bedroom we only need  
some time alone  
lost in a haze of self indulgence what goods is  
indulgence on your own,  
it's an unrequited self-love affair and its not fair i need  
to be there for myself but im not there  
I am a danger to myself let alone anyone else  
I am a danger to myself oh oh,oh oh,oh oh,  
I've such a needless need for vindication im gonna  
show myself you see  
if only for stealing all the covers and for taking  
advantage of me  
i like to tell myself i love you even if from behind  
grinded teeth sometimes im sure i half believe it am i  
getting the better of me?  
it's an unrequited self-love affair and its not fair i need  
to be there for myself but im not there  
I am a danger to myself let alone anyone else  
I am a danger to myself oh oh,oh oh,oh oh,  
it's an unrequited self-love affair and its not fair i need  
to be there for myself but im not there  
(nah,nah,nah,nah,nah,nah,nah,nah)  
(nah,nah,nah,nah,nah,nah,nah,nah)
