She's the type of girl that takes her time with  
everything  
Tracking her down, don't try to call, she's just gonna let  
it ring  
And when you take her out she'll make you buy the  
finest things  
Louis Vuitton, Dolce Gabban, kissing diamond rings

No comparison  
More power than the President  
She'll keep you coming back  
For more and more and more

You're a D.I.V.A. ah ah  
Gotta you get you in my P.A.R.T.Y.Y.  
And I know that you be thinking that  
You've got everything so let me hear you say  
"I'm the D.I.V.A. ah ah, you got nothing on me"

She's the kind of girl who's fashion ain't just being late  
Dressing it up, killing 'em all, she's just gonna make  
you pay  
She's the queen of all the bees and there's no room for  
kings  
Wearing a crown, holding it down, red carpet royalty

You're a D.I.V.A. ah ah  
Gotta you get you in my P.A.R.T.Y.Y.  
And I know that you be thinking that  
You've got everything so let me hear you say  
"I'm the D.I.V.A. ah ah, you got nothing on me"

Nose up, heels high, big show tonight, spotlight on you  
Cat walk, on fire, runway attire, all eyes on you

You're a D.I.V.A. ah ah  
Gotta you get you in my P.A.R.T.Y.Y.  
And I know that you be thinking that  
You've got everything so let me hear you say  
"I'm the D.I.V.A. ah ah, you got nothing on me"  
(Cuttin' in line and junk, Mrs. President of the world)
