(from the album "i5")

Desert heat there's no life to be found here I'm  
stranded  
Dried up ocean I'm a castaway without navigation  
Empty spaces there's no life to be seen here abandoned  
Open your eyes the rhythm of this beat is now your  
hydration

Oasis you seem so far away I'm in survival mode so  
don't evaporate  
We're in this desert war fighting for something more  
So close to paradise it's a mirage tonight

Whoa oh oh oh oh Whoa oh oh oh oh  
Disappear in the mi-mi-mirage

Useful wasteland there's no one else around here so  
beautiful  
Open your eyes the rhythm of this beat is now your  
hydration

Hot like fire  
There's no life to be seen here  
Open your eye's  
This beat is your hydration and we're almost there
