Verse 1:

Fighting every system just to prove to know you're
living
Do you taste or is it never enough?
And you're taking all your time to find a moment, is it
fading?
Are you burning? Has your "cool" turned into to rust?

Pre Chorus:

Then you're taken by the rhythm ready shake shake,
spinning around.
The world is moving as you wait. (x2)

Chorus:

Oh, oh, oh, oh you missed the bus again
Oh, oh, whoa, oh oh, you're out of time. (x2)

Verse 2:

Twenty something years and are you breaking only
even?
Feeling older than the age that you are?
Would you take some time to listen, let the moments
that you're missing
Grab a hold and try to finally start.

Pre Chorus:

Then you're taken by the rhythm ready shake shake,
spinning around
The world is moving as you wait. (x2)

Chorus:

Oh, oh, oh, oh you missed the bus again
Oh, oh, whoa, oh oh, you're out of time. (x2)
