Hey You
I saw your shadow
But I knew
It was impossible
I felt you
But it was in my head
I heard you
But it was just the wind, just the wind

I've been seeing silhouettes
Won't let me forget all this emptiness
Images that fill my head
and the things you said just before you left
Please, please don't, please don't let go
I don't want the sun to set
I'm not ready yet to lose your silhouette

Hey You
Did you make it home?
'Cause I would
Like to meet you soon
I miss you
And on days like this
I need you
More than just the wind, just the wind

I've been seeing silhouettes
I've been seeing silhouettes

Hey You
We will meet again
'Cause I won't
Let this be the end
