Looking through the hole  
In these walls of seclusion  
An ever haunting nightmare  
Thoughts of home consume  
All my waking desires  
A place ill never  
Know again

I cant escape  
This haunting fate (this haunting fate)  
Imprisoned  
For what i did not do  
This faulty justice  
We put such faith into

I have done all i can  
Theres nothing for me  
But to find a way  
To end this misery  
I am trapped in here  
Till the day i die  
I am forced to pay  
For someone elses crime

Screaming, Crying  
Still I call out your name  
Searching, Screaming  
But it was all in vain  
Rotting, Wasting  
Slowly going insane  
Screaming, Crying  
Death is calling my name

I must escape  
This haunting fate (this haunting fate)  
No longer  
Will I go on this way  
Ive had enough  
This pain will end today

Deep inside my soul  
Endless rage persists

Im in disbelief  
That it has come to this  
I secure the knot  
Nothing left to say  
As I close my eyes  
I start to slip away

Screaming, Crying  
Still I call out your name  
Searching, Screaming  
But it was all in vain  
Rotting, Wasting  
Slowly going insane  
Screaming, Crying  
Death is calling my name
