LETS GO!

They still watch me  
They still haunt me  
They still want me to submit

Who are these phantoms always watching  
Following you  
Lurking through the shadows  
Tearing through you  
Why are these phantoms always watching  
Following you  
Lurking through the shadows  
Tearing through you

They still watch me  
They still haunt me

Does my own mind betray me  
Why do these nightmares persist  
Even when i'm awake

They still watch me  
They still haunt me

Who are you  
Trespassing on my mind  
Stealing what is mine  
Deceiving my thoughts  
Treading through my mind  
Stealing what is mine

They still watch me  
They still haunt me

They still want me to submit

Does my own mind betray me  
Why do these nightmares persist  
Even when im awake  
Does my own mind betray me  
Why do these nightmares persist

Draining the life from me (from me)
