I'm meant to suffer  
I live in agony  
With this addiction  
That's taken hold of me

I can no longer  
Go on another day  
Cuz I never wanted  
To live my life this way

And this, I know  
I must regain control  
But I cant, let go  
This drugs consumed my soul

And this, I know  
I wont regain control  
If I cant, let go  
Of this addiction

Staring out these empty eyes  
Darkness is all I see  
I'm trapped within my countless lies  
Living in misery, In misery

My world has crumbled  
I've thrown it all away  
And now I'm nothing  
This place will be my grave

I don't remember  
How I became this man  
But I'd give anything  
For just a second chance

And this, I know  
I must regain control  
But I cant, let go  
This drugs consumed my soul

And this, I know  
I wont regain control

If I cant, let go  
Of this addiction

Staring out these empty eyes  
Darkness is all I see  
I'm trapped within my countless lies  
Living in misery

Day after day I wonder why  
Why did this happen to me  
I'm trapped within my countless lies  
Living in misery  
In misery
