Slightly beyond the trail
I live a life of despair
The love that goes on
The life I cannot bare.

I'll ask that I will find
the way that I cannot believe
the faith, that's holding on to me.

Life does not always end
In a way which we compare
life is danger of strange fantasies
looking behind the mirror to find it has

The world has come alive
finding what used to be mine
squirming around like nothings wrong
But nothing has gone.

Feeling like I used to be
in-front of a camera
listening to me

Life does not always end
In a way which we compare
life is danger of strange fantasies
looking behind the mirror to find it has

Now I've come to a narrow end
but i will be dancing in my grave
for another year to go
because my life does not always end this way
I'll be here to stay

Life does not always end
In a way which we compare
life is danger of strange fantasies
looking behind the mirror to find it has

Life does not always end x3

yeahhhhhh!!!!!!

Life does not always endddd....
