am not suprised

i got my head caught underneath the ice

no, I am not suprised

that i got my big head

caught underneath the ice

and on it goes  
somehow , somehow

i'm going out now

it's all about myself  
and i'm on to someone else  
well, i know that you are near

but i feel alone even when you're here

i know that you are near

but i feel alone even when you're here

and on it goes
