i'm a fool for that shake in your thighs
i'm a fool for that sound in your sighs
im a fool for your belly
im a fool for you love

i wanna make this plain
oh, i know your faded
mm, but stay, don't close your eyes
i wanna make this plain
oh, i know your faded
mm, but stay, don't close your eyes

caught in this pool held in your eyes
caught like a fool without a line
we're in a natural spring
with this gentle sting between us

i wanna make this plain
oh, i know your faded
mm, but stay, don't close your eyes
i wanna make this plain
oh, i know your faded
mm, but stay, don't close your eyes

ooohhh, stay open
ooohhh, stay open

stay open
stay open

i wanna make this plain
oh, i know your faded
mm, but stay, don't close your eyes
i wanna make this plain
oh, i know your faded
mm, but stay, don't close your eyes

stay open
stay open
stay open

mmm, stay open
