Verse 1:

Yesterday, I took a dark trip on the open sea.

I tried to prove to myself that the crashing waves
donâ€™t get too me.

I gasped for air and Iâ€™m aware of how you set me
free.

Cause I would drown a 1000 times too have you right
here next to me.

Love, you mean so much to me. Youâ€™ve grown out
of touch with me.

Chorus:

She fits my picture perfectly. I pray she wonâ€™t raise
the bar.

In this world where nothing is unique, my girl kinda
rhymes with orange.

She fits my picture perfectly. I pray she wonâ€™t raise
the bar.

In this world where nothing is unique, my girl kinda
rhymes with orange.

Verse 2:

I hit my knees today. I wondered would you call too say.
Maybe, I love you or I need you.

I gasped for air and Iâ€™m aware of how you set me
free.

Cause I would drown a 1000 times too have you right
here next to me.

Love, you mean so much to me. Love, youâ€™ve grown
out of touch with me.

Chorus:

She fits my picture perfectly. I pray she wonâ€™t raise
the bar.

In this world where nothing is unique, my girl kinda
rhymes with orange.

She fits my picture perfectly. I pray she wonâ€™t raise
the bar.

In this world where nothing is unique, my girl kinda
rhymes with orange.

Tomorrow â€¦. Ooooo ..

Chorus:

She fits my picture perfectly. I pray she won't raise
the bar.

In this world where nothing is unique, my girl kinda
rhymes with orange.

She fits my picture perfectly. I pray she won't raise
the bar.

In this world where nothing is unique, my girl kinda
rhymes with orange.
