Redemption

On my way to your redemption  
On my way to your redemption  
Lost and lonely no inspiration  
Looking for some complication

You're the one you're my temptation  
You're the one you're my temptation  
Sad in need of your attention  
Give to me your admiration

Some sometimes I do  
I think of you  
Break down and cry  
Crying for you  
Making it through  
Until I die  
Dying for you

On my way to your redemption  
On my way to your redemption  
You're the life of my creation  
Searching for my liberation

Some sometimes I do  
I think of you  
Break down and cry  
Crying for you  
Making it through  
Until I die  
Dying for you  
Nothing to think  
No song to long  
No fear no tears  
With you so near  
No place to hide  
Deep down inside  
Until I die  
Dying for you

Nothing to think

No song to long  
No face to fear  
With you so near  
No place to hide  
Deep down inside  
Until I die  
Dying for you

On my way to your redemption  
On my way to your redemption  
Lost and lonely no inspiration  
Looking for some complication

On my way to your redemption  
On my way to your redemption  
On my way to your redemption  
On my way to your redemption...
