Walking next to you
Watching your smile
Touching your hand.
There are 3 things I just wanna do
When I'm with you
Just wanna sing for you

I just want you to know
I just want you to know
Maybe I'm wrong,

Maybe you're not for me
The only thing that I guess

Maybe I'm wrong with what I'm singing right now.
Maybe I'm wrong with what I already wrote
With you baby I can find,
I can find myself in a drive
So amazing I cannot forget your smile
So amazing I cannot forget your kiss
Just wanna be, just wanna sing for you

I just want you to know
I just want you to know
I really like
Tell me
Just tell me right now

What am I supposed to do
What am I supposed to do
What should I do with you
Should I get out of here, pick up my guitar
And say goodbye to you
Should I keep singing, keep writing for you

I just want you to know
I just want you to know
I really like you
But maybe you are not for me

Just wanna know

Just wanna know
Just wanna know
Just want you to know
Tell me right now
Tell me right now what should I do
What do you want?
