[Verse 1]

Been Through so many t hings i don't know nothing  
else  
I swear there's been times where i don't believe myself  
I try to convince myself cause i know it ain't true  
Show me another person who's gone there too  
Every-time i try to change i re-write history  
I swear there's been times where this shit just ain't for  
me  
I look for a fix and i guess i do get it  
I feel so bad after i be like fuck it forget it  
I need someone behind me who's strong  
Even when i do good to show me my wrong  
I think i got a keeper tell me is it true  
Nothing old fashion i need something new

[Chorus]

[2x]

Where do i go from here  
Where do i go
