**[Verse - 1]**

Daaraa raab daaraa raab, Daaraa raab daaraa rab

I wanna turn off the glowing stars  
Just to show the beauty of your shining eyes

I can simply walk a thousand miles  
Just thinking about your beautiful smiles

**[Verse - 2]**

Daaraa raab daaraa raab, Daaraa raab daaraa rab

You're the one who lights the moon at night  
You're shining on my heart like the morning light

For you the time is always right  
I just wanna reach for you and hold you tight

**[Bridge]**

Your love is the only rhythm  
That plays my heart with it's beating  
Your love's what keeps me breathing  
And quells my insatiable feeling

**[Chorus]**

You don't know what I feel for you do you?  
You don't know how I long for you do you?  
Seconds are more than enough to be far away  
From you.

**[Verse - 3]**

Daaraa raab daaraa raab, Daaraa raab daaraa rab

I just wanna close my eyes and sleep the night through,  
The dreams I'm gonna paint with the colors of you

I feel your love flying on the midnight wind  
It blows away my heart and it makes me swing

[Bridge]

Your love is the only rhythm  
That plays my heart with it's beating  
Your love's what keeps me breathing  
And quells my insatiable feeling

[Chorus]

You don't know what I feel for you do you?  
You don't know how I long for you do you?  
Seconds are more than enough to be far away  
From you.

[Passage]

I wish I could find the words to explain  
I'm falling for your love like drops of rain

My love is the sunlight flooding your street  
I'll put all the rainbows to sleep at your feet

[Chorus]

You don't know what I feel for you...

Do you?  
Do you?

Daaraa raab daaraa raab, Daaraa raab daaraa rab  
Daaraa raab daaraa raab, Daaraa raab daaraa rab

[Passage]

I wish I could find the words to explain  
I'm falling For your love like drops of rain  
My love is the sunlight flooding your street  
I'll put all the rainbows to sleep at your feet

[Chorus]

You don't know how I feel for you do you?  
You don't know how I'm melt in you do you?  
Seconds are more than enough to be far away  
From you.
