Up north where you at, where you at
South side, where you at, where you at
West coast where you at, where you at
All my ladies to the floor, where you at, where you at
Let me, let me see your daddy to the right
Let me, let me see your daddy to the left
All my lady show you girls if you fresh nigga
All my fellows poppin colors if you fresh .

I'm a wild boy, she's a nice girl
I got a few for them chicks who .. model
..boy you're from the ..girl
There's only together we can make this party for a ..
If you could tell .. but it is the reason when you ..
I'm like a ..swag when i'm coming you'll be lane
Where you at, where you at, where you at
..girl wity the .. make you drive once she drive
..turning like a helicop
5 foot 5 nice style like a body shine
.. like a sun she gonna .. what i got
And let's get some fun ..little see
Can i get them bottles if ..over me

Let me see the pretty girl rock and the pretty boy pop
If the ..baby let em see

2 x Chorus:

Shawty look so fly what it game face on
I'ma win it tonight when my game face on
Want you to get it could get it girl like a booty beat the
beat
come get it could get it girl like a booty beat the beat

Hey where you at, hey where you at, where you at hey
Where you at
Hey all i want girl you to jack pot make play this game
like a ..
Cause i'ma rude boy he's a fly girl
Together we can make it hotter than a ..
won't pretending you in love with who i be
the way you're fronting let me know you wanna see
why would i step up in the club all the girls holla back

give me that, give me that give me that
I need a girl who can walk pass cause the crash
Every every turning 'cause she gotta miss ..
Kelly motivate, concentrated was she worth that
â€¦ give me ..
Boy you're acting funny 'cause you don't .. to see
When i pop bottles you could ..all over me
Let me see your money girl swag girl
i want you so bad no for .. i see

[2x Chorus:]

We in the club in the back ..sipping that ..
baby you wanna come let's go
.. if i .. say yeah yeah
So tell your friends we gonna do it real big
I could promise that girl .. and drive the show
We got a nice .. go

[2x Chorus:]
