Jack Daniels in my block, I'mma...
These bitches ain't shit, so I don't give a fuck
Jack Daniels in my block, I'mma...
These bitches ain't shit, so I don't give a fuck
Jack Daniels in my block, I'mma...
These bitches ain't shit, so I don't give a fuck
Jack Daniels in my block, I'mma...
These bitches ain't shit, so I don't give a fuck

Yesterday I missed your call
Cause I fell asleep, thought you was next to me
Evidently you wasn't!
I wish you would find your way home
And come back to me, so we can make believe
Like this break up, it's nothing!

Chorus:

I, I know I messed up, but damn babe
You ain't had to leave me like that
Baby, why you had to leave me like that
In so much pain, babe!
I, I know you don't give a damn, babe
But you ain't had to leave me like that
Baby, won't you please come back!
I miss you!

Jack Daniels in my block, I'mma...
These bitches ain't shit, so I don't give a fuck
Jack Daniels in my block, I'mma...
These bitches ain't shit, so I don't give a fuck
Jack Daniels in my block, I'mma...
These bitches ain't shit, so I don't give a fuck
Jack Daniels in my block, I'mma...
These bitches ain't shit, so I don't give a fuck

Broken and can barely breathe, don't you love me
anymore?
Tortured by memory, you broke my heart to the...

Chorus: (x2)

I, I know I messed up, but damn babe

You ain't had to leave me like that
Baby, why you had to leave me like that
In so much pain, babe!
I, I know you don't give a damn, babe
But you ain't had to leave me like that
Baby, won't you please come back!
I miss you!

I know you don't understand, girl
I know you don't see
This true love is what you're missing
You belong to me
Smack me up and tear me down
I'mma still be that
I bet every word I said
One day you'll treat me...

Chorus:

I, I know I messed up, but damn babe
You ain't had to leave me like that
Baby, why you had to leave me like that
In so much pain, babe!
I, I know you don't give a damn, babe
But you ain't had to leave me like that
Baby, won't you please come back!
I miss you!

Jack Daniels in my block, I'mma...
These bitches ain't shit, so I don't give a fuck
Jack Daniels in my block, I'mma...
Cause bitches ain't, ain't, ain't
