Your scars lead the way to a place far beyond  
Our sweetest dreams and there is no coming home  
Millenia of gaining of what we desire  
Shame it's pointless

Reality in exchange for a curse to wither  
In a place far beyond

We must keep together  
Tears roll over my broken to death fucking heart

We should soon arrive  
Is this journey everlasting?  
I'm ready to dip in my deepest depths  
And my sharpest instincts

We must keep together  
Tears roll over my broken to death fucking heart

Even though I may fall into oblivion  
Our accomplishments must be kept afloat  
We've come a long way, aiming to a place far beyond

May it be true?  
Is this all a blind wish?  
It doesn't matter  
We must go on

We shall see it soon, its closer  
A few steps more, a few dreams less  
With every moment our souls lose their petals to bloom

Sacrifice - must come and be everlonging  
Mortal - kept trapped in his own piece of vanity
