

Rise The Tide "Shameful Case"

Hardly seem to notice
Who you are anymore
Trying to find your truths inside
As you stand among the rest
Youâ€™re disguise is a lie
As you try and hide behind that face
Such a shameful case

Youâ€™re ugly like me

Hardly seem to notice
Where you are anymore
Lost in your identity
Is this you? I donâ€™t know
Youâ€™re disguise is a lie
As you try and hide behind that face
Such a shameful case

Youâ€™re ugly like me

Youâ€™re disguise is a lie
As you try and hide behind that face
Such a shame
